CALL FOR POSTERS

Parent Project asp is excited to include a Poster Session at this year's Annual Conference. The Poster Session will take place on Saturday, February the 29th (during lunch time). **Submissions are due on January the 7th. Authors will receive the communication of Poster acceptance by January the 20th.**

Abstract:

The proposal must arrive in the form of a scientific abstract of up to 3000 characters (including spaces), in English, and in doc or pdf format. The abstract must be sent to the following email address:

g.antonini@parentproject.it

The abstract must include:

- Title of the study
- Name (s) and Surname (s) of authors in full
- Affiliations and addresses of the authors
- E-mail of the authors

Guidelines for Posters:

Posters must be written in English, and prepared using sturdy A0 (841x1189 mm) vertical paper or cardboard.

Poster Exhibition

The posters will be displayed in a dedicated space at the Conference on the appropriate supports. **The printing service is not available.** For this reason we invite you to bring your material already printed and the items necessary for posting it.

The poster session will be held on Saturday, February 29th. Authors must be present during lunch time to illustrate their work to conference participants and to answer to any questions.

The exhibition space will be ready from 09:00 a.m. and posters must be in place by 11:00 a.m. on Saturday.

The posters will remain on display for the entire day of Saturday, to allow participants to view them at different times of the day.

For any information, please contact the Parent Project aps scientific office at the following email address:
