

## HOW TO SUBMIT YOUR ABSTRACT AND DISSEMINATION VIDEO AND GUIDELINES FOR POSTER PREPARATION AND EXHIBITION (2024 edition)

### Abstract

Posters must be accompanied by an abstract in English, maximum 3000 characters (including spaces), in word or pdf format.

The abstract should state:

- Title of the study
- Full name(s) and surname(s) of the author(s)
- Affiliation and address of the author(s)
- E-mail of the author competing for the award

Submitted abstracts should be clear, concise and relevant to the established topic areas. Each author may compete with only one abstract, although he/she may appear as a co-author in other papers.

### Dissemination video

- Videos must be in Italian and in a simple, understandable language for families (they will be the ones voting!!!)
- Prefer conciseness and creativity rather than including the totality of the scientific content of your work
- Remember to include your name
- Stay within the 60-second mp4

Abstracts and video contribution should be sent **by January 8, 2024** to the following email address: [scienza@parentproject.it](mailto:scienza@parentproject.it).

Authors will receive notification of Poster acceptance by **January 26, 2024**.

### Guidelines for Posters:

Posters must be written in English, and prepared using sturdy A0 (841x1189 mm) vertical paper or cardboard.

### Poster Exhibition:

The posters will be displayed in a dedicated space at the Conference on appropriate supports. The printing service is not available. For this reason, we invite you to bring your material already printed and the items necessary for posting it. The poster session will be held on Saturday, February the 17th. Authors must be present during the poster session to illustrate their work to conference participants and to answer any questions.
